I would like to confirm that Class Signs have been the official signage supplier to the Nedbank Million dollar Golf Challenge since 1981. I would recommend Class Signs for any similar signage contract and have done this with success with the Dimension Data Golf tournament.

Who are we and what do we do?

Class Signs was established some 40 years ago, employing 5 people concentrated on sign writing only.

Over the years, Class Signs grew to fill the requirements of our growing client base and now boast a large factory with a compliment of staff numbering 42 people of which have over 100 year in combined experience in all aspects of sign manufacturing from non-illuminated, Signwriting to Perspex fabricated lettering, outdoor billboards and neon and LED illuminated signs.

We operate as a professional Company and look forward to assisting, and servicing your signage needs, be it non-illuminated with neon whether small or large. You will experience energy, creativity and the professional service that you deserve.

Our Work

We offer a complete full range of sign services which include, but are not limited to: Non-illuminated, Billboards, Engraving, Cut out Brass, Aluminium and Perspex letters. Illuminated signage, Neon, Led, Back-lit, Front-lit and Halo Signage.

Some of our most well known clients include:

Woolworths, Itec, Mica, Bidvest, Bravo Group, Auto-Zone, News Cafe, Krispy Kreme, Vodacom, MTN, Compass, S.A. Tour, Sun International and Nedbank Million Dollar Golf Challenge
